

There is no such thing as a child who hates to read;

There are only children who have not found the right book.

Irish American Partnership

In January 2021 Bennettsbridge N.S. received a very welcome donation of \$5000 from the Irish American Partnership. We are very grateful to the King's family, American connections who suggested our school as a beneficiary. This very welcome financial contribution coincided with two new literary initiatives, the Accelerated Reading Programme (Renaissance Learning) and Literacy Lift- Off .The very generous donation was used to help update our school library to help implement these programme. Míle buíochas.
